Dear Friends,

Thank you so much for your very generous work fundraising for Doctors Without Borders. We are truly honored that you selected our organization as the beneficiary. Please extend our appreciation to all of those involved. Your events this year raised the largest amount of all the fundraising events for Doctors Without Borders in 2007. Thank you for getting involved, and for helping to make a difference. As requested, your contribution has been directed towards our operations in Darfur, Sudan.

As you know, MSF volunteers assist victims of armed conflicts, epidemics, natural and man-made disasters, health care discrimination, and bear witness to their plight. They provide aid regardless of race, politics, gender or religion, and operate with full independence.

Right now, thousands of MSF volunteers are working around the world—in Congo, Sudan, Guatemala, and over 70 other countries around the world—delivering emergency medical care to people affected by armed conflict, epidemics, natural and man-made disasters, and exclusion from health care. Every day, we are able to save lives because of the generosity of our supporters. On behalf of our volunteers and the patients that they treat, thank you.

Kind Regards,
